

Alicia Asha

Newcomer Model from Uganda

My name is Alicia, I am newcomer model from Uganda and would be glad to have in near future a lot of shootings with photographers from my country and international photographers too.

I was born in Kampala, Uganda, where I already life. My date of birth was September 9th, 2002.

I finished my school and I would like to start modeling career because I read a lot about it and try to learn more about this interesting job. I would love to give my best to have success.

And I am open to travel to interesting places. I read a lot about other countries in the world. Would be great to meet fascinating people and learn about other cultures.

Write to me via Facebook Messenger and learn more about me.
